OFFICE OF THE ASSISTANT SECRETARY OF DEFENSE
WASHINGTON, D. C. 20301

ADMINISTRATION

12 MAY 1970

Dear Nate:

Please note the attached memorandum from Admiral Gayler to Admiral Bowen.

As a result of the recent Defense CIRIS Working Group meetings in which you participated, we are now prepared to draft the CIRIS-71 Guidance and Instructions with the exception of the single issue for policy decision. In view of your kind offer to take on this task and [redacted] interest, I suggest that Carl work directly with you on this job until we reconvene the Defense CIRIS Working Group to review the draft. I have discussed this with Carl and he has agreed to this arrangement.

[redacted] can spare the time away from their office, they can also help us to convert the NSA CIRIS-70 inputs for the CIRIS-70 machine output.

Again, I want to thank you for your cooperation and assistance on the CIRIS-71 draft instructions which will allow me to devote full time to DASD(I) CIRIS-70 needs and associated CDIP review problems.

Sincerely,

[redacted]

Director of CIRIS and CDIP
Review Coordination (DASD(I))
